

Help Design the Mountair Streetscape!

Millcreek recently hired a landscape architect to design the Mountair Streetscape (the strip between Highland Dr & Mountair Dr from Elgin Ave to Miller Ave, also known as the lilac strip), and we need your input!

We would like to invite you to a stakeholder meeting to enjoy a light breakfast and to discuss design possibilities for the Mountair Streetscape.

When: Saturday, 12 October 2019 – 8:30 am to 10:00 am

Where: Adib's Rug Gallery – 3092 South Highland Drive

The goal of this meeting is to give the design team guidance as they refine a concept for the Mountair Streetscape. We will hold additional meetings in the future as the design progresses.

Questions? Call or E-Mail Francis Xavier Lilly – 801.214.2752 / flilly@millcreek.us
